

## INTERNET ESSENTIALS

### How It Works

Getting Internet at home is as easy as 1-2-3

#### **APPLY**

1. Start your application online at <https://apply.internetessentials.com/>
2. We'll send you a copy in the mail to complete and send back to us. Complete the remainder of the application online or request a mailed or emailed copy to complete and return.

#### **GET APPROVED**

1. We'll review your completed application.
2. We'll let you know within 7-10 days if you've been approved (we may even approve you instantly online).
3. If approved, we'll send you our Welcome Kit with all the materials and information you need to get connected to high-speed Internet.

#### **GET ONLINE**

1. Use the step-by-step guide in Welcome Kit to set up your online service, email, and more.
2. Start exploring the web! If you still need help setting up your service, call us at 1-855-846-8376.
